

Parental Consent Form

Dear Parent/Guardian

We are writing to you to get your consent for your child to take part in
.....(Add details of activity here).....

Safeguarding of our young people is of paramount importance. Hence, we are advising that parents give formal consent for their children to take part in any of the online/offline activities organised by AHMA. All sessions, where appropriate, will be supervised by an adult to ensure all the safety protocols are observed.

As part of our engagement with young people we may sometimes share their images or creative work through our social media channels and website. Only first names used.

When a child is attending an online video conferencing activity, the meeting host will control when someone is allowed to speak or for their video to be switched on. No obscene language or images will be allowed. Please note a child under 16 years is not allowed to register their own Zoom account.

If your child would like to take part in the activity and is under 16 years old, could please complete the detail below and return it to the event organiser by email prior to participating in the session. Failing that a parent or guardian must be present during the child's activity.

1. Child or young person's details

Name:

Date of birth:

2. Parent or guardian's details

Name:

Email:

Please tick box if you agree:

<input type="checkbox"/>	My child is allowed to take part in the stated activity.
<input type="checkbox"/>	I allow my child to attend an online video conference session.
<input type="checkbox"/>	AHMA will keep a record of this form for safety reasons.
<input type="checkbox"/>	My child can be photographed, and the image shared on AHMA social media channels and website.
<input type="checkbox"/>	AHMA can share the creative work produced by my child on AHMA social media channels and website.
<input type="checkbox"/>	I will not be present during the online session.
